Controversial slogans raised at JNU against PM, HM; probe launched; BJP condemns

Asserting that 'any unlawful conduct or anti-national activity will not be tolerated', the Jawaharlal Nehru University (JNU) said that an FIR has been registered in the Monday incident and the strictest action will be taken against students found raising objectionable slogans

PTI, NEW DELHI: A protest at JNU sparked a controversy as objectionable slogans targeting Prime Minister Narendra Modi and Union Home Minister Amit Shah were allegedly raised over the denial of bail by the Supreme Court to Umar Khalid and Sharjeel Imam in the 2020 riots conspiracy case, prompting the Delhi Police to launch a probe into the matter.

Asserting that "any unlawful conduct or anti-national activity will not be tolerated", the Jawaharlal Nehru University (JNU) said that an FIR has been registered in the Monday incident and the strictest action will be taken against students found raising objectionable slogans.

"Universities are centres for innovation and new ideas, and they cannot be permitted to be converted into laboratories of hate. Freedom of speech and expression is a fundamental right.

"But any form of violence, unlawful conduct or anti-national activity will not be tolerated under any circumstances. Students involved in this incident will also face disciplinary measures including immediate suspension, expulsion and permanent debarment from the University," the JNU said in a series of posts on X on Tuesday night.

The University also ordered an internal inquiry, as BJP leaders, including Union and Delhi ministers, expressed anger over the incident, alleging that the slogans reflected the "Urban Naxal mindset that is supported by Rahul Gandhi and the Congress".

The event -- "A Night of Resistance with Guerrilla Dhaba" -- was organised at Sabarmati Dhaba to mark the anniversary of the January 5, 2020, violence in which a group of masked persons had entered the campus and unleashed mayhem by attacking students and teachers.

A purported video of the Monday protest showed students allegedly raising slogans against the prime minister and Union home minister after the Supreme Court refused to grant bail to Khalid, a former JNU student leader, and Imam in the 2020 Delhi riots conspiracy case.

The University has named several students, including current Jawaharlal Nehru University Students' Union (JNUSU) president Aditi Mishra, and said they were identified during the programme. It claimed that the slogans were "deliberate", "repeated" and had the "potential to seriously disrupt public order, campus harmony and security".

Two die in Bengal over SIR stress

PTI, KOLKATA: Two men in West Bengal died on Tuesday, with families alleging that stress over the ongoing Special Intensive Revision (SIR) of electoral rolls contributed to their deaths.

Malin Roy (55) from Boro Haldibari in Cooch Behar, suffered a stroke and died at Jalpaiguri Super Speciality Hospital, his family members said, adding that the deceased had been anxious since his SIR hearing on December 31, after his name was found missing from the 2002 electoral list.

Earlier in the day, a 57-year-old Mohammad Khadem of Chunabhatti near Siliguri was found dead near an abandoned police quarters in Fulbari.

His relatives said he had been under severe mental stress following his SIR hearing.

UP SIR draft voter list out: 12.55 cr voters retained, 2.89 cr removed

PTI, LUCKNOW: The draft electoral roll for Uttar Pradesh published on Tuesday after the Special Intensive Revision (SIR) excludes 2.89 crore voters but retains 12.55 crore, said Chief Electoral Officer (CEO) Navdeep Rinwa.

The 2.89 crore voters, or 18.70 per cent, of the 15.44 crore listed earlier could not be included in the draft list due to deaths, permanent migration or multiple registrations, he said at a press conference.

The final electoral list will be published on March 6, Rinwa added.

The opposition parties in UP have criticised the draft electoral roll after the SIR exercise.

Talking to PTI Videos, UP Congress president Ajay Rai said the time allotted for the SIR exercise was short.

"This is a completely hasty decision. The way the SIR process was started by giving only one month in a large state like Uttar Pradesh is unreasonable.

"They gave one month even to a small state like Kerala. Uttar Pradesh should have been given at least five to six months, as was done earlier in 2002 03... Had it been done that way, the booth level officers (BLOs) would not have been under such pressure and suicides could have been avoided."

He said the exercise would have been smooth had more time been allotted to it and alleged that the rights of the people of UP had been violated.

Making small child touch private parts aggravated sexual assault: Delhi HC

PTI, NEW DELHI: Making a small child touch one's private parts with sexual intent is aggravated sexual assault under the Protection of Children from Sexual Offences (POCSO) Act, the Delhi High Court has held.

Justice Neena Bansal Krishna passed the verdict while dismissing a man's appeal against his conviction and sentence under Section 10 (punishment for aggravated sexual assault) of POCSO for flashing his private part before a girl aged around four years and making her touch it.

Under POCSO, sexual assault on a child below twelve years of age amounts to aggravated sexual assault.

The appellant, a tenant in the minor's house, was convicted by the trial court in July 2024 and consequently sentenced to seven years' rigorous imprisonment.

The incident took place in June 2022.

"Making a small child touch the private part with sexual intent amounts to aggravated sexual assault and therefore, the offence under Section 10 POCSO Act, was established," the court held.

"There is no merit in the Appeal, which is hereby dismissed along with pending Applications, if any," it ordered.

In the judgment passed on January 5, the court rejected the accused's claim of the survivor being tutored and lack of incriminating evidence against him, as it held that the core allegation of sexual assault remained consistent in the survivor's testimonies and minor variations in expression did not affect her credibility.
