World record for 'largest display of posters' set in Pune

PRESS TRUST OF INDIA

PUNE, DEC 13: A world record in the category of the "largest display of posters" has been set in Pune, an adjudicator of Guinness World Records confirmed on Saturday. "India has now surpassed the US to claim the record for the longest display of posters", said Guinness World Records adjudicator Swapnil Dangrikar. The record was achieved at a book festival organised at Ferguson College with the display of 1,678 posters featuring tribal words, surpassing the previous record of 1,365 posters set in the US in February 2025, organisers said. The certificate mentions that the world record for the largest display of posters was achieved by Pune Book Festival, Yashwantrao Chavan Maharashtra Open University and RISE Foundation at Pune on December 12. Organisers said the record is a tribute to tribal leader and freedom fighter Bhagwan Birsa Munda, whose life and work are being highlighted through a special pavilion at the festival. The Pune Book Festival, organised by the National Book Trust (NBT), is being held from December 13 to 21. "A dedicated Birsa Munda gallery has been set up to honour his contribution to tribal society and India's freedom movement. The Guinness World Record was created as part of this initiative by showcasing posters containing tribal vocabulary," said festival convener Rajesh Pande. Social activist and Padma Shri awardee Girish Prabhune said Birsa Munda's work was multi-dimensional. He said dying dialects needed to be preserved. Documenting tribal languages in the Devanagari script could help disseminate the knowledge embedded in them, he added.

Himachal govt failed to utilise funds sent by Centre: Nadda

PRESS TRUST OF INDIA

SHIMLA, DEC 13: BJP chief J P Nadda on Saturday alleged that the Congress government in Himachal Pradesh has failed to utilise the funds allocated by the Centre and therefore has no right to remain in power, accusing the state administration of functioning with a carefree mindset. "Congress government in Himachal Pradesh is working with a mindset of 'Khao Piya Mau' karo, aage kisse dekha hai (indulge in merry making, who has seen the future)," Nadda said and stressed that "double engine government is the only way to ensure development of the state". Addressing an event here, the Union Minister accused the state government of corruption and misutilisation of funds given by the Centre under various heads, including building of houses, repair of roads and smart city. Refuting the allegations of the Congress government that the Centre is not giving enough funds to the state, Nadda claimed: "Rs 3,789 crore were given for disaster relief, over Rs 1,000 crore for Smart Cities besides funds for Vibrant Village development, medical colleges, AIIMS Bilaspur, a bulk drug park, four-lane highways and developed Baddi as a pharmaceutical hub in the state yet the Congress

continues to spread falsehoods and mislead the innocent people of Himachal." Targeting the Sukhdev government for its incompetence, the BJP chief claimed that the Centre has sent over Rs 2,000 crore as special assistance and approved Rs 1,442 crore under JICA funding, but the Congress government utilised only about 50 per cent of the funds in several schemes. Taking a jibe at the Congress, Nadda said that Himachal's treasury is frequently shut, the entire administration runs on ad-hoc arrangements with the chief secretary and director general of police working on additional charge and there is no coordination between the Chief Minister and his ministers. The Congress government has not brought even a single concrete project to the Centre, he said, and called upon BJP workers to take these facts and truths to every village and town, so that the "people of Himachal can free themselves from Congress misrule" and move decisively towards development and good governance.

"Victory of the NDA in recent Bihar Assembly polls has sent a clear message that people who want to run the country with the help of the intruders would not be accepted", said Nadda and

asserted that the BJP would form government in West Bengal and Tamil Nadu. Nadda alleged that "earlier the government used to come to power with the support of all but used to be limited to a particular caste, segment and religion, but 11 years back Prime Minister Narendra Modi changed the political scenario of the country by becoming the 'Pradhan Sevak' of the nation and moved from Rajpath to Kartavya Path." He recalled that during the previous state Assembly elections, he had warned the people against making the mistake of bringing the Congress to power, asserting that Himachal Pradesh's development is possible only under a "double-engine government".

He said the "BJP government is a performance (report-card) based government, what it promised, it delivered and in contrast, the UPA politics revolved around casteism, appeasement and nepotism, while BJP politics is rooted in accountability and good governance." Citing recent electoral outcomes, Nadda said in Haryana and Maharashtra, the Congress had already ordered sweets and prepared for celebrations, but people voted for a responsible government under the leadership of Modi.

According to the BJP leader said all political parties other than his party

maintaining his aged parents and other social obligations," it observed.

Allahabad HC sets aside maintenance order in favour of earning wife

PRESS TRUST OF INDIA

PRAYAGRAJ, DEC 13: The Allahabad High Court has set aside a lower court order mandating a man to pay maintenance to his estranged wife, observing that she earns her living and did not reveal the true salary in her affidavit.

Justice Madan Pal Singh also allowed a criminal revision petition filed by the man, Ankit Saha. "A perusal of the impugned judgment indicates that in the affidavit filed before the trial court, the opposite

party herself admitted that she is a post-graduate and a web designer by qualification. She is working as a senior sales coordinator in a company and getting a salary of Rs 34,000 per month," the court said in the December 3 order.

"But in her cross-examination, she has admitted that she was earning Rs 36,000 per month. Such an amount for a wife who has no other liability cannot be said to be meagre; whereas the man has the responsibility of
